Love is the Universal Language

Soon our rooms will be filled with lots of love notes as February is the month that we ask all of you to help us out and write at least one love note to your child. We will have cut out hearts ready at the sign out counter for you to write as you drop off or pick up your child. You are more than welcome to create your own heart and bring that one in if you like as well. We will have special mailboxes for you to put the hearts in and then we read them to the class and display them on the boards for everyone to see.

It is a wonderful time to tell the ones you love how you feel. It is my hope that every child will receive at least one loving note that they can read from someone in their family. As you know all children are different but there are three things that every child needs. Every child needs to know that their parents love them. Next, they need their parents' praise. And, third, they need to know that their parents value their relationship with them. A love letter is a tangible item that they can treasure forever. So let's all join in and grab a pen!

Registration Coming Soon

Parents, it is time to register your child for summer and fall. Please be on the lookout for the new admission and registration forms which will have a specific return date. Please make sure to carefully read everything and have it turned in by the due date. This will guarantee that your child has a spot for summer and fall of 2017.

If you are a current family and you will have a kinder for next school year, you will need to include their name on the admission agreement as well as the registration forms. If you have any questions please do not hesitate to call.
