"It's A Great Day At EDCC!"

-Notes from Ms. Silva

February was filled with lots of fun and excitement for the Sharks and Minnows and March will surely be no different. This month Sharks will have learning activities designed around the themes of weather, Pokemon, and community, while the Minnows will be having fun with lesson themes covering rainbows, insects, spring, as well as the amazing Dr. Seuss!

For current EDCC families who have kindergartners to enroll for the upcoming 2017/2018 school year, that process is taking place on Wednesday, March 8, 2017. After your child is "officially" enrolled at Frederiksen Elementary make your way over to EDCC to pick up the remaining paperwork, not available to you on line, so you can finish completing their registration at EDCC. Remember, if your child is entering as a DKA they must be at least four years and nine months in age before they can begin attendance at EDCC.

Is Your Child Is Going To Be Absent From EDCC?

If so, please notify the center prior to school dismissal.

You may notify the center by:

1. Calling (925) 833-0127
2. Writing a note to the staff in the communication binder
3. Emailing me at ksilva@extendeddaychildcare.org

Your child's safety is our number one priority, so we need your assistance in alerting us of their absences.

Celebrating Dr. Seuss

Read Across America Day takes place annually on March 2nd, coinciding with the birthday of one of our nation's most celebrated children's authors, Dr. Seuss. Across the country, thousands of schools and libraries will be participating in this reading celebration by bringing together kids and books in an effort to encourage a love for reading.
