Spring Break

Dear Parents,

Here at EDCC, we find many ways of enhancing your children's learning opportunities through STEAM. We do a lot of engaging hands on projects that ranges from Engineering to Art to Cooking and even Public Speaking.

For the month of March, the Cubs will be focusing on Dr. Seuss' books: "One Fish, Two Fish, Red Fish, Blue Fish", "Oh, The Places You'll Go", "Put Me In The Zoo", "The Lorax", and "Bartholomew and the Oobleck." They will learn to construct a hot air balloon and a covered wagon. As well as make oobleck and learn about pollution.

The Lions will learn about Moana, the Irish, and Heroes and Villains. They will be making kinetic sand and learn about it's properties, construct a straw bridge, and learn how to sew. They will also be learning the American Sign Language

Spring Break is coming! EDCC is open on April 4th through April 7th. However, we will be closed Monday, April 3rd. The teachers have planned many fun activities for the week. Just be sure that your child brings a nut-free healthy lunch all week and dress in clothes for a lot of outdoor play.

If you have any questions and/or concerns, please feel free to contact me and I will be more than happy to assist you.

Sincerely,
Mrs. Daisy Beckwith
EDCC Site Director, Green

As you know, students ending fifth grade at the John Green Elementary school, also end as an EDCC student on the same day. We have had most of these children since kindergarten and are amazed when they are ready to leave us.

We know this is a difficult time for many of you making this transition. However, we know that March is when most of the summer opportunities begin to open. Please talk with your friends and neighbors who have gone through this on the past to get information. We will also ask around and try to get information to you.

We thank each and everyone of you for entrusting your child's care to us for so many years.
