March 2017

Dear Parents,

2017 is flying by! We cannot believe it is March already. Now that February and the month of love is over, we are moving on to March Madness, Dr. Suess, St. Patrick's Day and Spring!

The Cubs will be learning all about basketball during March Madness week. They will learn the science of basketball, play Basketball Skillastics, and make a basketball pattern during Math/Art. The Cubs will also be building Leprechaun traps during Engineering and they will cook a green smoothie during St. Patrick's Day week.

The Lions and Tigers will be focusing on going green by building sculptures out of recycled materials during Engineering. They will also be making Celtic knot initials for St. Patrick's Day, and making their very own anemometer! Another fantastic month of learning ahead!

Sincerely,

Marissa Minovitz

Site Director

Important Dates:

March 1—Last day to turn in March tuition. If turned in after 6 PM, please add the \$35 late fee

March 27—April tuition is due

April 4—Last day to turn in April tuition. If turned in after 6 PM, please add the \$35 late fee
