Dear Families,

Spring is here and we are so excited to have some warm weather! Our St. Patrick's day potluck was an amazing success. Thank you to all who participated and brought food, it made the kids happy and was nice for the teachers to see how much fun everyone was having.

This month The Cubs and Grizzly's will be learning about all things Spring, specifically changes in the weather, butterflies, insects, plants, flowers and Easter!

The first week of the month is Spring Break! We are closed Monday and open back up on Tuesday-Friday. We have a lot of fun things in store for your kids on their week off including spirit days.

Tuesday: Stripes and Polka Dots

Wednesday: Super Hero Day

Thursday: Disney Day

Friday: Pajama Day

If you are going to be on vacation for the week please let the teachers know!

Warm Regards,

Alex Ferraro

Kolb Site Director

April showers bring may flowers, so please remember to provide a labeled jacket and an umbrella for your child. We will stay inside when it is raining but when the kids walk to and from school it is very

important they have a jacket on. It is very important to label ALL of your child's belongings to eliminate things getting lost or taken home by others on accident. Thank you!

St. Patrick's Day Potluck!
