Summer 2017: Fables and Fairy Tales!

To the wonderful families of EDCC,

Summer is almost here and we are so excited! We will be focusing on different Fables and Fairy Tales as we think it is important for the children to read stories with a significant moral. Summer Calendars will be coming out later this month so stay tuned for the specific stories we will be learning about, upcoming fieldtrips, and the day to day activities we will be doing with the kids!

To finish out the school year, the Cubs and Grizzlys will stay busy learning about different things that pertain to space, the Rainforest, Automobiles and more! Also, since it is sadly the 5th graders last full month with us, they will be getting to plan and teach lessons that they believe their fellow peers will like to learn about.

Best Regards,
Alexandra Ferraro

5th Graders!

May is always a hard month for EDCC teachers as it is the last full month we get to spend with our incredible 5th graders. We were fortunate enough to have 8 amazing young ladies and gentlemen; Isaiah Broadus, Malena Gonzalez, Jayden Kimura, Sophia Gomez, German Tarasov, Sasha Gusev, Tommy stork and Nuha Hussain. Congratulations for completing the first chapter of your lives and we hope the rest of your story is unforgettable. We will miss you!
