- * *August tuition amount-Kinders-\$650
Grades 1-5 \$605.
Part-time- Kinders \$595
Grades 1-5 \$555*

It has been a great school year. I hope everyone has a sunny summer, and enjoys time with their families and friends. As we wind down the school year there will be a lot of events happening at EDCC.

First of all, we would like to welcome all our returning and new teachers who will be joining us this summer.

Ms. Katy, who completed her first year in the University of Idaho, will be back to continue to work in the Stingray building starting on Tuesday, May 30th. Ms. Jada, who worked with us last summer as a high school volunteer, will return to work in the Dolphin building. She was a great help to us last year so we are very excited to have her back. Lastly, our EDCC family would like to welcome Ms. Sabrina. She recently moved to this area from Georgia and just completed her first year of college at UC Berkeley, where she is a member of Cal's Equestrian Team. We look forward to having Ms. Sabrina and I am certain your children will too.

Of course, I am always happy to announce and congratulate all of our graduating fifth grade class. We wish them the best of luck in their new adventure to middle school- Congratulations!

EDCC 2017 5th Graders- Gia , Arushi, Tvisha, Amay and Tyler.

We are also happy to announce our new incoming first graders, will now have the opportunity to play on the big play structure, which was only designated for older grades. And the incoming 2nd graders will start in the Stingray building this summer; something they have been looking forward to all year.

This summer, children will learn, grow and thrive through the exhilarating hands on activities that we have planned throughout the summer. They'll explore nature, gain independence, find new talents and most importantly make lasting friendships!

Good-bye School and Hello Summer!
