"It's Going To Be A Great Summer At EDCC!"

-Notes from Ms. Silva

EDCC Frederiksen's 2017 Summer Camp is ready to roll! This year's summer camp theme is "Transportation Highway!" Teachers have been working hard planning a wonderful and memorable summer experience for your child(ren).

Be sure to study the summer parent calendar, so you can be up to date on all field trips and on-site events taking place to include swim lessons, magic shows, musical performances, art lessons, local park adventures, and field trips to the Oakland Zoo, Happy Hollow, Pump It Up, Dublin Bowl and beyond! For your convenience, a weekly friendly reminder of all events which will be taking place during a given week will be posted every Monday at the sign in/out counter. Feel welcome to snap a picture of it on your smart phone, so you can have instant access to refer to it if need be!

Welcome New EDCC Frederiksen Summer Staff!

As always, children's safety is priority one at EDCC and because of that we hire additional staff to help us care for your children during the summer months. After all, you can never have too many eyes on the kids which are focused on their safety and well-being. Be sure to take the time to say hello and introduce yourself to these fabulous new team members when you see them. They are excited to meet you, too!!!

Summer Information Packet

If you have any questions regarding the information provided to you in your 2017 summer information packet, please don't hesitate to ask them. Any staff member will be more than happy to answer your questions. The EDCC Frederiksen staff is very excited to give your child (and you) a great, memorable, and stress free summer experience!

Sun Screen Protection

All parents **MUST** provide individual sunscreen protection for their child which will be stored at the center and applied to them twice daily, by EDCC staff, before each outdoor recess. Products must be labeled with the child's first and last name.

EACH MORNING IT IS THE PARENTS' RESPONSIBILITY TO APPLY SUNSCREEN ON THEIR CHILD(REN) BEFORE DROPPING THEM OFF AT THE EDCC CENTER.

Summer Camp T-Shirts

EDCC SUMMER CAMP T-SHIRTS MUST BE WORN ON EVERY FIELD TRIP AND OFF-SITE OUTING, NO EXCEPTIONS.

Wearing this shirt is an important safety precaution as it is easy for us to be identified as a group when we are all wearing them, staff and students alike. **YOUR CHILD WILL NOT BE ABLE TO ATTEND A FIELD TRIP OR OFF SITE OUTING IF THEY ARE NOT WEARING THEIR RED FREDERIKSEN EDCC SUMMER CAMP T-SHIRT.** Please note, during some weeks camp t-shirts will need to be worn on back to back days, so please check the activities calendar for those dates, so your child's shirt can be laundered.

Lunch Packing Reminders

Unless otherwise noted on the parent calendar, a lunch and cold drink will need to be provided by you daily for your child. In accordance with our "Junk Food Free Zone" Policy EDCC asks that you pack a healthy and nutritious lunch for your child. Any cookies, cakes, sodas, candies, chips, etc., will be sent home with your child, so they can enjoy it there after they are picked up from EDCC. Remember, foods provided by you must be ready to eat. **We cannot microwave or refrigerate lunches or snacks.**

You can use cold packs or thermoses to keep your child(ren)'s food at the desired temperature. **On field trip days all lunch items (including water bottles) must be packed in disposable packaging.** Your child(ren) will be responsible for carrying their own lunch and water bottle, so please think about the weight of lunch box items you are choosing to pack for them.
