

KOLB EDCC'S SEPTEMBER NEWSLETTER!

Dear EDCC family,

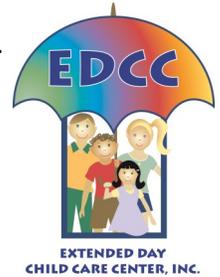

We had a great summer with your kids and are excited to continue the fun and education throughout the 2017-18 school year! We have many enriching activities prepared for your children that will enhance their learning.

The Cubs will be focusing on themes such as Hibernation, Johnny Appleseed, and the season of Autumn. The children will build a den for a hibernating bear, looking at why leaves change color and learning all about Johnny Appleseed, just to name a few fun things! The Grizzly's will be learning about everyday heroes such as Military Men, Policemen, Firemen, etc. and why they are important to our everyday lives. They will also be doing activities that surround Disney and Fall to spice things up which should make for a fun filled September!

After school activities such as Lego robotics, science, art etc. will be starting soon so please let us know if your child will be participating so we can give you the form to fill out and return to us. Thank you!

Best,

We're Going Back To School

Junk Food and Nut Free Zone

We are a NUT FREE school as we have several kids with allergies to peanuts and tree nuts. Please be mindful when packing your child's lunch so we do not put our kids at risk! Also, we are a junk food free EDCC so please keep their lunches healthy. Chips, cookies, brownies, cakes etc. are not allowed. Thank you so much for your cooperation, it is greatly appreciated!

EDCC Mission Statement

Extended Day Child Care Inc, is committed to creating a caring and stimulating environment, supported by well -trained, experienced and competent professionals, who are responsive to children's needs. Our staff, parents, and children work together with mutual respect and support to maintain a thriving, well organized child care and enrichment learning center, which is highly respected, at full enrollment and valued by all.
