## EDCC DUBLIN ELEMENTARY NEWS

FEBRUARY 2018

Dear EDCC Families,

It is a wonderful time to tell the ones you love how you feel. Soon our rooms will be filled with lots of love notes. During the month of February, we will have paper hearts available for you to write a love note to your child. We will display them on the boards for everyone to see. So, let's all join in and grab a pen!

In addition to seeing love notes fill our rooms, you will also see many other activities. The themes in the Cubs room for the month of February are Valentine's week, friendship, engineering and pets. Over in the Panthers room the teachers have planned to teach the children about healthy cooking, Minecraft coding, United States presidents and history. I wish everyone a fantastic February!

Best Regards,

Selin Arsezen-Moody  
Site Director

### REGISTRATION COMING SOON

It is time to register your child for summer and fall. Please be on the lookout for the new admission and registration forms which will have a specific return date. Please make sure to carefully read everything and have it turned in by the due date. This will guarantee that your child has a spot for summer and fall of 2018.

### **EDCC Students Wear "The Most Important Pair of Socks in The World"**

Did you know that socks are the most requested items at ALL shelters? EDCC wants to share a special photo and an act of kindness that we do during the holidays in hopes that this act can spread to a year-long act of kindness in the Tri-Valley and beyond. In December we gift a pair of "The Most Important Pair of Socks in The World" to each EDCC student. We do this at the holidays to remind our students of the social importance you can make while giving gifts during the holiday season and year round. EDCC purchases 1,000 pairs of BOMBAS socks for our students and EDCC employees then BOMBAS donates 1,000 pairs to local shelters like [Ruby's Place](#) and [Shepard's Gate](#).

Here is a picture of some of our EDCC Kolb students in their cozy socks.

# ART MANIA

Panthers and Cubs have been enjoying Art Mania lessons on Tuesdays in January taught by Mrs. Pam Johnson. They have been experimenting with art media including: pencil, charcoal, watercolors and oil pastels. In addition, they have been introduced to the concepts of “endangered animals”, “global warming”, and insects and plants. All of our artists are exploring their creative skills, and have a collection of unique masterpieces to take home. We are thrilled to give this opportunity to our students at EDCC.
