Dear Parents,

In December, EDCC gifted a pair of BOMBAS socks, “The Most Important Pair of Socks in the World,” to each EDCC student. We do this during the holidays to remind our students of the importance of giving gifts during the holiday season and year round. EDCC purchased 1,000 pairs of BOMBAS socks for our students and employees and BOMBAS in turn donated 1,000 pairs to local shelters. We are so excited we get to share in this act of kindness with your children and hope to spread it throughout the Tri-Valley and beyond!

In February, we celebrate Valentine’s Day, Presidents’ Day, and Heart Health Month among many other things. At EDCC our teachers like to share in these holidays and events and incorporate them into our daily activities. The Cubs will learn through “Kid President” how to be an inventor and will create their own invention that can help the world. The Lions and Tigers will be designing their own heart pump then through engineering, they will build their design. This is just a couple of examples of what your children will be learning and doing in February!

Sincerely,
Marissa Minovitz
