6400 Village Parkway
#207
Dublin, CA 94568

Tuition payment via the SQUARE Reader is accepted on the 1st – 5th of the month.

"It's A Great Day At EDCC!"

-Notes from Ms. Silva

For current EDCC families who have kindergarten siblings to enroll for the upcoming 2018/2019 school year, that process is taking place on Wednesday, March 7, 2018. Be sure to stop by the center to pick up their EDCC registration paperwork, so you can complete their registration at EDCC Frederiksen as well.

Recently, I have received several comments from parents stating they do not know which days EDCC is open (or not) on. Please remember to reference the EDCC website, monthly newsletters, or our EDCC Frederiksen Shutterfly Share Site, to keep current with our non-operational days of service. I also recommend for parents to take a photo of the Frederiksen Elementary School Year Calendar (which is posted on their website) and keep it handy on your phone for quick access to refer to, so there is no confusion about the days school is open or closed on.

Dates To Remember

Collaboration Days

March 7th & 21st

Kindergarten Reg.

March 7th

Fred Open House

March 14

School Closed FULL CENTER DAY

March 16th

Minimum Day

March 30th

Art Mania Is Coming!!!

Get excited! The program focuses on introducing your child to art design elements including line, color, and texture, while giving them the opportunity to experiment with various art media including: pencil, charcoal, watercolors, oil pastels, and markers. The class will take place every Tuesday in March for 4 weeks at no additional cost to you. Each week's class will focus on a different environmental conservation topic. We want your child to explore their artistic self while having fun creating their own unique "masterpieces."

Celebrating Dr. Seuss

Read Across America Day takes place annually on March 2nd, coinciding with the birthday of one of our nation's most celebrated children's authors, Dr. Seuss. Across the country, thousands of schools and libraries will be participating in this reading celebration by bringing together kids and books in an effort to encourage a love for reading.

Sharks & Minnows In Action!
