March 2

Minimum day at school.

March 30 and April 3-6

Full center days at EDCC. Please remember to pack a healthy nut-free lunch.

Dear Walnut Grove Families,

My name is Natalie Glynn, and I am the new site director here at Walnut Grove EDCC. I have over 15 years' experience working with children and am a mother of three. I received my B.A. in Psychology from San Jose State University and am currently taking more early childhood education classes. I have a passion for being a lifelong learner and truly enjoy seeing children's faces light up with excitement when they master a new skill.

I am looking forward to getting to know every one of you and hope that you will come up to me and introduce yourself if we have not already met. My goal is to foster long-term relationships with your child(ren) as well as yourselves. My door is always open, and if there is ever anything that you need, please do not hesitate to contact me.

I want to make sure that each family is a member of our Shutterfly site so you can get notified about important EDCC information and also have the opportunity to check out all of the wonderful things that we have been doing with your child(ren) by perusing the pictures. Summer is just around the corner, and the Shutterfly site sends out email reminders about our field trips, upcoming events, and when to wear your camp shirts. We know how busy life can be and we want to make sure we can ease that by sending helpful reminders.

Again, I am truly excited about being here at Walnut Grove, and if there are any questions or concerns that you may have, you can email, call, or stop by to speak with me. We are going to have a marvelous March!!!!

Sincerely,

Natalie Glynn
