We are in April and spring has sprung! This month we are very excited to incorporate Harry Potter inspired activities in Ms. Katie's class. The students will be dazzled by the magic of chemistry in "Professor Snape's Potions class", engage in fun exciting wand dueling drama activities, explore the majestic science behind magnetic levitation, and many more!

In Ms. Jess' class the students will be exploring the wonderful life of reptiles, the importance of Earth day and springing into action with spring inspired lesson plans! It is going to be SPRING-TACULAR!

A few center reminders, the last day to turn in tuition checks will be on April 3<sup>rd</sup> since EDCC will be closed on April 2<sup>nd</sup>. Square payments will be made available from April 3<sup>rd</sup> through the 5<sup>th</sup>, we accept credit and debit cards. Lastly, EDCC will be closed on April 2<sup>nd</sup> and we will be open for full center days for the remainder of spring break.

training.

## At the NAA Conference in Atlanta, Georgia.

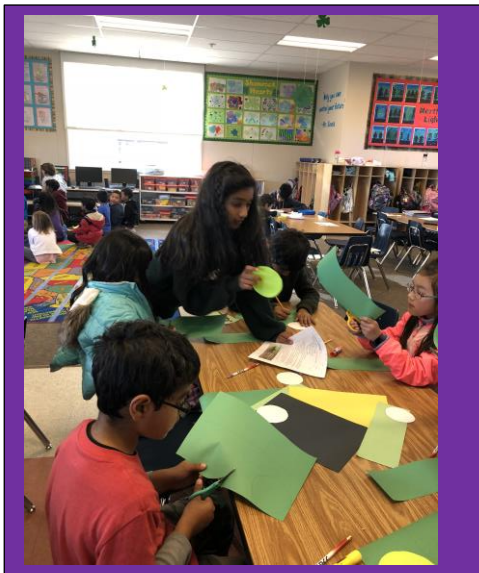

Last month our EDCC directors had the wonderful opportunity to attend the National Afterschool Association conference. It was such a wonderful opportunity to meet with other afterschool

professionals in our field to collaborate and learn from each other's experiences, strategies and methods in the afterschool setting.
