EDCC Green News

Dear Parents,

Summer is fast approaching, and our teachers are working hard planning fun-filled hands-on learning activities for your children. We can't wait to teach them all the amazing things we have in store!

The summer packet which will have our newsletter, activity and menu calendars will be ready for pick-up on Thursday, May 10th. Make sure you look at the information carefully as our field trips will be divided into two groups. One group will be for the Kindergarteners through 1st graders, and the other group will be for 2nd through 5th graders.

Please make sure all of the contact information in your emergency cards are updated. Ask one of the teachers to see your information card if you need something added or changed in your contact list.

This month the Cubs will be busy learning about Cinco de Mayo, creatures of the sea and mermaids. They'll also learn about pirates and will be building a pirate ship.

Last month, the Lions were busy constructing life-size Mario Karts. The kids had a blast designing and constructing their work of arts. I can't wait to see the finished products!

If you have any questions and concerns, please feel free to contact me, and I will be more than happy to assist you.

Sincerely,
Mrs. Daisy Beckwith
EDCC Site Director, Green Elementary
