Kolb families,

Summer is almost here and we are so excited! We will be going on a ROADTRIP! The kids will be learning about 10 different states in 10 weeks and the teachers are eager to get started. Summer calendars will be coming out later this month so stay tuned for the specific states we will be learning about, upcoming fieldtrips, and the day to day activities we will be doing with the kids!

To finish out the school year, the Cubs and Grizzly's will stay busy learning about different topics that will enrich our wonderful children. The Grizzly's are dedicating the entire month to Women who have influenced our lives. They will be studying Oprah, J.K. Rowling, the women of the hit movie *Hidden Figures* and last but not least, Frida Kahlo. The Cubs will be learning about really exciting topics as well including space, colors, farm life, sharks and nature!

Sincerely,

Alex Ferraro, Kolb Site Director

Kolb Cares!

Every two years we train all of our wonderful teachers for CPR training so we can keep the kids as safe as possible. We had a blast this year learning ways to save lives. We all hope we never have to use anything we learned but we know the importance of keeping the kids safe which is our number one priority!

Here are some friendly reminders about summer....

- ◆ Please label EVERYTHING you bring for your child.
- ◆ Everyday essentials include: Sunscreen, lunch, water bottle and change of clothes (if need be).
- ◆ EVERY fieldtrip the kids MUST wear their GOLD EDCC shirt or they will not be able to attend.
- ◆ Please keep an eye on the activity calendar as it will let you know what time we will be promptly leaving on the bus.
- ◆ If you plan to go on vacation during the time tuition is due, please create a bill pay account or you can pay in advance via square from the 1st-5th.

JUST A LITTLE *Reminder*

If you are planning on taking a long vacation in the summer and intend to pay the school rate to hold your spot for next school year, your child may not be in attendance the entire month to qualify. The last day of school, is June 1st so if they attend, you will still pay the full summer rate for June. Thank you for understanding!

It is that time of year where we celebrate all of the wonderful mothers these children are lucky to have. Please join us for “time for tea” in the EDCC building. We will be serving warm tea and pastries to start your day in a special way. The event will be Friday, May 11th at 7:45 until the kids go to school. We hope you all can join us!

Teachers play a critical role in educating and shaping your children, the future of our country. They are kind, patient, hard working, dedicated and understanding professionals that mold children’s lives in a positive direction. Please join me in thanking all of the wonderful teachers that dedicate themselves to the children. We wanted to send a special **thank you** to all the families who have donated gifts to these amazing teachers!
