

Walnut Grove EDCC

May 2018

Dear Walnut Grove Parents,

May is here which means that summer is close by! With it being around the corner, please look out for our summer camp packet, which will include: Monthly calendars of field trips , events, snack menus, shows, waiver forms, and the EDCC policies form. Please make sure you turn in your signed policy form and field trip waiver **no later than May 23rd.**

With the school year coming to an end, we are sad to say good-bye to our 5th grade students who will be moving on to middle school. Many of these students have been with us since kindergarten and we have enjoyed seeing them grow up. We are excited for their next adventures, and will dearly miss having them at EDCC.

During the month of May our S.T.E.A.M lessons will focus on appreciation, Mother's Day, flowers and sunshine. The Cubs room will be doing lessons on bugs, flowers, gardening and May holidays. The Lions and Tigers will be doing lessons on cable cars, pollination, and canines. They will get to make dog treats, engineer a dog house, and explore how bee's affect crops.

This past month in the Lions classroom, Ms. Jen did first ever breakout room with the kids. If you are not familiar with the escape room craze then here is a link for you to check out an example of one in another classroom setting. https://www.youtube.com/watch?v=FIuBq9_Cias

The focus of our escape room was pollution and how it effects animals all over the world. Look for the video on our Shutterfly site soon.

We have another fun month ahead to end the 2017/2018 school year! Please let me know if you have any questions!

Sincerely,

Natalie Glynn
