## Green EDCC News

Dear EDCC Green Parents,

Can you believe it? The school has been in session for three weeks already and what an amazing start of the school it has been. The energy and enthusiasm are contagious, and I can't wait to see what the 2018-2019 school year will unfold.

For September, the Cubs will be spotlighting the works of William Joyce and Hans Christian Andersen. They will read classics like "The Fantastic Flying Books of Morris Lessmore, A Day with Wilbur Robinson, Dinosaur Bob and Hans Christian's fairytales and stories. They will build a dinosaur scene, create an invention for the future, and make ice sculptures.

The Lions will concentrate on "teamwork" and what it entails to work as a team. As well as learn about the habitats. More specifically the rainforest, ocean and the desert. They will design a sun shelter, learn about the food chain and get to build the habitats.

Something to look forward to for October is the Art Mania. "Art Mania" is an art program taught by Pam Johnson M.S., a retired elementary teacher with credentials in general education and art education. The program focuses on offering artists an introduction to art design elements including line, color, and texture while giving artists the opportunity to experiment with various art media including pencil, charcoal, watercolors, oil pastels, and colored markers.

Mrs. Johnson will teach once a week for a month with the emphasis that each student have the opportunities to explore their artistic self and have fun creating their own unique "masterpieces"!

Just a friendly reminder that if your child is absent at EDCC, please inform us by calling (925) 829 5538 or write in the communication binder by the sign in/out table.

If you have any questions and/or concerns, please contact me, and I will be more than happy to assist you.

Sincerely,  
Mrs. Daisy Beckwith  
EDCC Green Site Director
