- October 31st:
Minimum Day/
Halloween!

Please Note...

The children are only allowed to bring one toy from home on Friday's. Any other day we ask they do not bring belongings from home to EDCC.

Thank you for understanding!

Kolb EDCC Presents....

Kookaburra's Christmas Down Under! Our Holiday Play will take place in Australia and we couldn't be more excited! It will be held in the Kolb MPR (multi purpose room) on Thursday, December 6th at 7:00pm! Please remember, on the day of the show, you will be picking up your children and bringing them back to EDCC at 6:30 sharp. That gives you time to take them home and feed them before the show begins. This will be a memorable night that you will not want to miss!

This month will be all about Health and Safety because when it comes to kids, what is more important?! We will be talking with the kids about dental health, earthquake safety, fire safety and much more. All of our lessons will be centered around these important topics and we are excited we are able to teach the kids the importance of these topics and the skills they need to be prepared!

I encourage you to join our Shutterfly site if you haven't already. On this site I post weekly about upcoming events, lessons we have taught, and pictures too! All you have to do is create an account (if you do not have one already) and then ask to be a member through the website! Our link is kolbedcc.shutterfly.com

Thank you,

Alex Ferraro

Kolb Site Director

Kolb Cares!

ART MANIA!!

As a center, we want to thank Pam Johnson for coming to teach the kids some wonderful art lessons. They had a great time learning new skills and creating their masterpieces!

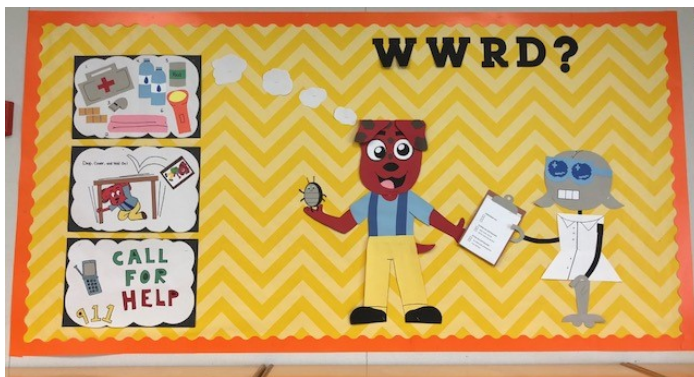

TRICK OR TREAT!?!

On October 31st, we will be hearing these three words a lot! Halloween is a great time for kids because they get free candy and as a kid, what is better than that?! But as adults, it is our job to teach them about being safe on Halloween night! Our teachers will be talking with the kids about what they think it means to be safe on Halloween and what they can do to be prepared! Of course, we will be giving our two cents as well to make sure they are safe during this fun event!

Rocket Rules and Earthquake Safety!

Our President, Dr. Cheryl McElhany introduced us to an incredible program called Rocket Rules! It is all about earthquake safety, including why, when and where an earthquake may occur. The program includes books and short videos to teach the kids about being prepared during such an event! The teachers are working very hard and enjoying planning lessons all around this topic to ensure the kids are knowledgeable when an incident like this may take place. I would like to inform all of you, we will be participating in the national "Great Shake Out" on October 18th here at the center at 4:18pm. We will be doing a drill with the kids to further educate them. In each classroom we have put up a board as a constant reminder of earthquake safety. Our motto this month...What would Rocket do?!

Grizzlies Room!

Cubs Room!

Tuition...

I wanted to take the time to remind everyone of our 2 ways to pay tuition as we are NOT accepting checks anymore for any type of payment.

The first way is with your credit or debit card via Square. If you choose this option, you will come to our center every month (1st-7th) with your card and we scan it here.

The second way is via bill pay which is through your bank. For this option, you would go to your bank and tell them you would like to set up bill pay. They will mail your payment to our main office every month, please make sure you tell your bank the payment has to be at the office by the 7th. The address it will be mailed to is 6400 Village Parkway suite 207, Dublin CA 94568.

If your payment is not paid by the 7th of the month, unfortunately your child will not be able to attend until we receive payment.

If you have any further questions, please do not hesitate to ask, thank you!!
