Happy Fall Ya'!!!

The crisp air is upon us but we are ready for it! We are so excited about our upcoming play and it shows as the kids are working very hard to make it memorable. During the month of November, we thought it would be fun to have themes that pertain to Australia as that is where our play takes place. Both classrooms will be exploring the history of Australia, including traditions, lifestyle etc. They will be learning about what kinds of animals live there and why it is summer there while it is winter in America! It will be nice to go more in depth about Australia so the kids get a feel for what it's like in other parts of the world.

Afterschool activities seem to be increasing every year and more and more children are joining the classes. It is very important to fill out a form before your child starts a new class. Their safety is our number one priority so we need to know where your child is at all times. If your child is not going to be at EDCC for a particular day, we need some sort of notification whether it be through email, phone call or in person. Unfortunately the school office does not notify us if your child was not at school so it is very important that we hear from you. Thank you!

Sincerely,

*Alex Ferraro*

### Holiday Program...

Thank you all for turning in your holiday participation forms! We are so excited to create another wonderful play and we are almost there! It is that time where I ask if your child can stay at EDCC a little later than normal (especially if they have a specific role) to ensure we get enough practice before the big day! If you have any questions or concerns, please feel free to ask. Thank you all for your cooperation, it is much appreciated by us!

Please note... On the day of the show, you will still pick up your child at normal time (before 6:00pm) and then bring them back to EDCC at 6:30 sharp so you can feed them and get them ready! The show is December 6th, at 7:00pm in the MPR (multi-purpose room).

## Late Pick Up's

The teachers and I have noticed there has been an increasing number of late pick up's (after 6:00pm). We close sharply at 6:00pm and expect all kids to be picked up before then. We understand sometimes life gets in the way and there are circumstances where you could be late. We would like you to please put someone on the emergency card who lives close by (either a neighbor, friend, or relative) so they can come to pick up your child if you will not make it on time. Our staff have families and other obligations they need to attend to, so we really appreciate you finding other solutions. Thank you!

## Kids will be kids!
