Dear Kolb Families,

Christmas is almost here! It is nearing winter and that means our holiday play is just around the corner. We have been working very hard and the kids can't wait to perform in front of all of you! Thank you for being so cooperative and supportive through this journey, it's been hard work but it will be worth it in the end! Soon, we will be asking for food or beverage donations for the night of the play, so please look for the sign up sheet that will be posted in each classroom if you are willing to donate. Just a reminder, our play will be held Thursday, December 6th at 7:00pm in the MPR. Please have your kids back at EDCC by 6:30 (so we can get them ready) and head to your seat as they will fill up quickly. You will be amazed at how much talent these kids have, they are rockstar's!

Since December brings the cold weather, please have your child bring a labeled jacket to EDCC every day as we will be having free play and fun STEAM lessons for the kids to do outside. That's right, if you haven't already figured out, EDCC is a STEAM based program! Here, your child will experience many different activities the teachers work hard to plan. Every day your child will get a dose of 2 or 3 activities whether it be science, engineering, cooking, art, math, technology, etc....you name it, EDCC does it!

Your children bring constant smiles to our faces so I wanted to thank all of you for entrusting us with your child each and every day. We love that we are able to watch them grow and provide extended learning and knowledge to them in hopes to shape who they will be in the future. EDCC Kolb is truly an extended family.

Sincerely,

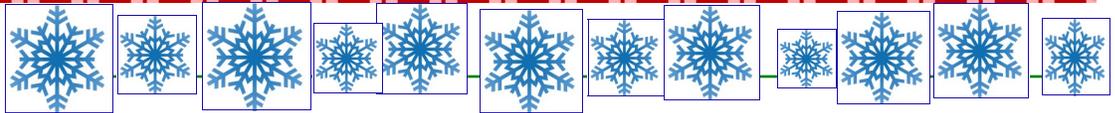

*Alex Ferraro*

Tuition

We only accept tuition from the 1st-7th with no exceptions, so even if you are on vacation, unfortunately you will still be charged the late fee of \$45.00 if we do not receive your tuition by the 7th.

Also, in January, there are only a few days to pay tuition as we are closed on January 1st. January 2nd, 3rd, 4th and 7th are the only days to pay, so if you are going on vacation, please make sure you set up bill pay or be present one of the 4 days we collect tuition. Thank you for your cooperation! May you all have a wonderful holiday vacation with family and friends.

Birthdays are such a special time and we understand that! If you want to bring in something to share with your child's friends on their birthday that is great, however it still has to be junk free. We are a nut free and junk food free zone because we have kids with severe nut allergies and we want to keep these kids healthy. Please consider bringing in a small toy for each of your child's friends or a healthy snack. If you need help choosing a snack, we would be happy to give you some suggestions.

Thank you for understanding.
