Art Mania:

We have been so lucky to have Ms. Pam Johnson expanding our knowledge of the world of art through the Art Mania program these past few Tuesdays. The children got to explore with water colors, oil pastels and charcoal pencils. Ms. Pam explains various complex art techniques while engaging in relevant conversations about climate change and endangered animals with the children.

Bombas

Socks remain the #1 most requested clothing item at homeless shelters. So for every pair of Bombas purchased, they donate a pair to someone in need. So far, over ten million small acts of human kindness have been possible.

This year your child will receive a pair of Bombas in spirit of the holiday season of giving!!
