PAINT THE TOWN DECEMBER!

We are so proud of how this year's performance came together! All of our students' hard work and dedication really showed! It takes great courage to go up on stage in front of a large group of people. As soon as the video of the performance is ready, I will send out the link for the Youtube video so you can share it with all of your friends and family. Again, thank you for all of your support and efforts to make this night another memorable one!

To all of our Amador parents who thought of us during this holiday season, we appreciate your generosity and for thinking of us!

Some highlights from the show!

Without these awesome ladies this show could not have happened!
