"It's A Great Day At EDCC!"

**Notes from Ms. Silva*

There is ALWAYS so much to remember, so here are some helpful reminders so you don't forget:

-The weather is changing, and the temperatures are dropping, so dressing your child appropriately for the cold weather is encouraged. If weather permits, EDCC children are sent outdoors for recess and P.E. for exercise and most importantly fresh air. We ask parents to label all coats, jackets, hats, and gloves.

-It is a California State Licensing requirement that you sign your child in and out every day they are in attendance at EDCC. Please review the sign in/out binder daily, to make sure that your entire monthly sign in/out page is accurate and complete.

-All EDCC centers open at 7:00 AM and close at 6:00 PM in accordance with our operational agreement with California Community Care Licensing. When a parent is late, the child feels very uncomfortable being the only student left at the center past closing when all of their friends have gone home for the evening; also, our staff need to leave work on time to attend college classes, after hours appointments, and to be with their own families. The children and staff will greatly appreciate your efforts in being on time for child pick up, so they can be home after a busy day. Thank you in advance for supporting our policy by arranging to have your child picked-up before 6:00 PM.

Incoming Kindergarten Registration

There is great news for EDCC families who have an incoming kindergartener! DUSD kindergarten registration takes place on February 6th, but you can avoid the EDCC registration rush because your child has already been enrolled with us for the upcoming 2019/2020 school year. I will provide you with necessary registration paperwork which needs to be turned in before their first day of attendance with us this summer.
