March 2nd is Dr. Seuss' birthday and here at Amador EDCC we are avid Dr. Seuss fans! In addition to his books being entertaining, quirky, and whimsical, we love encouraging the children to think critically and explore the deeper meaning behind his books; such as the environmentally themed, The Lorax or looking past our differences in The Sneetches.

The older kids will also be exploring Yertle the Turtle, The Butter Battle Book, Oh The Places We Go, and Horton Hears a Who. In Ms. Jess' classroom we will focus on the early reader books like Cat and the Hat and Green Eggs and Ham that made Dr. Seuss a household name.

Ms. Jess' group is looking forward to engineering hot air balloons in the spirit of Oh the Places You Will Go and will get to create their very own Cat and the Hat hats using recycled materials and fabrics. Ms. Katie's group will be making butter from scratch, engineering catapults, and having an exciting butter battle! Both classrooms will be celebrating St. Patrick's Day on the 17th with some green eggs and ham, as well as some traditional Irish dancing and an exciting leprechaun scavenger hunt!

EDCC is excited to be attending NAA19! We are looking forward to connecting and learning alongside more than 2,000 after-school professionals who are doing incredible work across the country in after-school curriculum.

The more you read the more you know...about our new policy book! If you have not already, take a peek on our website as there are both new and updated policies. You can find it at:
www.extendeddaychildcare.org.

Oh the places you'll go... If you know that your child will be absent from EDCC for any reason please be sure to inform the center. The school does not communicate with us if your child is absent. In addition to preventing us from having to call and interrupt your day, it makes it easier for our staff to already know of your child's absence due to ratio policies.
