"It's A Great Day At EDCC!"

-Notes from Ms. Silva

As we are getting into the hustle and bustle season of school ending and summer starting please do not forget to set aside time each morning and evening to properly sign your child(ren) in and out from EDCC. I can't express how important it is for parents to sign their child(ren) in and out correctly each day in order to keep us in compliance with our State licensing agency. As the sign in/out policy on page 13 of our parent handbook states, parents/guardians must come into the center in the morning to sign their child into our care and also in the evening to sign the child out. The sign-in/sign-out sheet is the legal record of the time a child is in the center's care and must be signed using a full name clearly written or printed. Thank you for your attention to this very important matter. It is much appreciated!
