Dear Kolb Families,

Spring has sprung and a new month has begun! It is April and that means there are only two more months of the school year. You know what they say, "time flies when you are having fun" and they are right! Summer is just around the corner and we have many fun things planned for the kids. Everyone will be getting the summer packets next month so please be on the look out for those!

This month the Cubs will be learning through literacy with some amazing books. They will be learning about the famous Author Eric Carle and the many books he wrote. They will be looking at the story of *The Tortoise and the Hare* in hopes to take away the importance of the moral. And finally, they will be learning all about Dinosaurs as many of the kids are huge fans of these extinct creatures!

The Grizzly's will be among the stars during the month of April as they will be exploring Hollywood! They will be learning many different things such as the history of movies and theater, film making, and cinematography. They will also become Directors by creating their own short films in small groups! At the end of the month they will get to dress up as their favorite actor or actress and give a speech about them. We are all in for a treat this month!

Best Regards,

Alex Ferraro

Sign In/Out Binders!

As you know, we have sign in/out binders for each classroom. I can't express how important it is to sign your child in and out on the right spot with your full signature every day you bring your child to EDCC. To comply with California State Licensing, we have to do this correctly each day or we can get cited. Please be careful where you are signing in the binder and remember to do it everyday. Thank you so much for your help with this!
