I didn't forget. . .

## Celebrating the WOMEN of EDCC

We would like to wish all of our wonderful mothers and grandmothers a Happy Mother's Day. And to our wonderful teachers, Happy Teacher Appreciation Day!

# Soaring With Amador EDCC

May 2019

Goodbye  
School  
Hello  
Summer

It's hard to believe we are already approaching the end of the 2018-2019 school year, time really does fly when you are having fun! We are thrilled to announce that our summer theme will be "Summer of Heroes." We will be incorporating superheroes that your children know and love into our curriculum and examining the coinciding core values, hopefully finding the superhero in all of us. We are looking forward to a wide variety of fun filled activities, shows, and field trips; it is sure to be a spectacular summer!

As always, we are sad that we will have to say goodbye to our wonderful group of fifth graders; Jacob, Kelsie, Tessa, and Zachary. Though we will miss them, we are very excited for them to continue their journey into middle school, where we know they will continue to thrive.

In Ms. Jess' classroom the kids will be able to create their own aquarium in a bottle as they dive into learning about our oceans and the fascinating creatures that make them their home. We will be taking advantage of the beautiful weather, enjoying outdoor games of balloon volleyball and flying kites that they will be engineering themselves.

This month in Ms. Katie's classroom we will following the yellow brick road into the magical world of The Wizard of OZ! The kids will be engineering the Tin Man out of recycled materials, weaving rainbows out of yarn, and learning all about the science behind the phenomenon of the tornado. There is no place like EDCC!

## Some Helpful Tips for Allergies and Warmer Weather Protection

Spring is officially in full bloom and unfortunately so are seasonal allergies. While we fully empathize with how uncomfortable they can be; (many of our teachers are also afflicted), we cannot keep your child indoors because of allergies; due to ratio regulations. We apologize for the inconvenience and encourage you to treat your child's seasonal allergies accordingly.

As weather warms up, please keep in mind that while sandals/flip flops may be a breezier footwear, they are unadvisable for blacktop play. We encourage you to continue sending your child in protective footwear to avoid uncomfortable foot scraps and injury.

We will be sending home sun screen licensing forms that need to be filled out if your child needs to reapply sunscreen at EDCC, as we encourage you to do so. This form must be filled out along with sunscreen you have provided before we can start applying sunscreen.

Just a day of coding with Legos and robots!

Hanging out in our garden and enjoying the gorgeous weather for Earth Day!

Cooking and Creating

Just another day at EDCC!

“Children are the anchors of a mother's life.” – *SOPHOCLES*

“Being a full-time mother is one of the highest salaried jobs... since the payment is pure love.” – *MILDRED VERMONT*

“A good teacher can inspire hope; ignite the imagination, and instill a love of learning.” – *BRAD HENRY*

“It is the supreme art of the teacher to awaken joy in creative expression and knowledge.” – *ALBERT EINSTEIN*
