Here are a few reminders to help make

2019-2020 an amazing year!

- Let us know of any extracurricular activities your child is signed up for (Science, Spanish, Leadership, Tutoring, Art). We have a form available for you to fill out letting us know where your child will be after school and when we should expect them to return.
- Be sure to label all your child's belongings to ensure that their things are not lost.
- Remember to always sign your child in when dropping off at EDCC and out when picking up.
- Kinder families: Remember to bring in napping items every Monday and take napping items home for cleaning on Fridays.
- ABSENCES: A parent/guardian is required to notify the center when their child will not be attending EDCC. After school, every child that is on our attendance roster must be accounted for. The parent must notify the staff either by a phone call to the center, leaving a voice mail, a written note in the parent communication notebook located on the sign-in counter, or an email to the Site Director. The EDCC staff will initiate a search for any child who has attended school, but who has not reported to the center within 10 minutes of the end of school. If the child is not located within 20 minutes, the police will be called. Please make sure your emergency contact information is kept current so you can be reached. There is nothing more serious than the health and safety of your child and we take our duty very seriously at EDCC. In an effort to eliminate the problems caused when a parent fails to notify the center of their child's absence, the following No-Call Fees will be assessed: \*1st occurrence will generate a warning letter to the parents \*2nd occurrence will generate a fee of \$10 \*3rd occurrence will generate a fee of \$20 \*If there are more occurrences, a termination of services may be rendered.

Your child's safety is our highest priority!

Warm regards,

Ms. Ochoa
