Kolb Families,

The school year is upon us and we are excited to embark on the new journey this year has to offer! If you didn't notice already, the school bell schedule is a bit different from last year. All Wednesdays the kids get out at 2:04 along with every Monday and Tuesday. Thursday and Friday, the kids get out at 3:04 unless of course, they are in kindergarten. All kindergarteners get out at 12:26 except on their scheduled focus group days. Those dates are coming out to you soon so stay tuned for those. EDCC teachers will still pick up your kids even if they have focus group that particular day.

As a reminder, EDCC is proudly a STEAM based program. This means every day your child will get a taste of two or three curricular activities that range from Science to cooking, Monart to Engineering and much more. The teachers work very hard each month to create meaningful, purposeful and educational lessons for your children. Feel free to ask the teachers or even the kids, what they are learning each day!

Kind Regards,

Alex Ferraro

TOYS FROM HOME

Children are asked to leave all toys at home except for Fridays where they are allowed to bring in one toy (non-electronic) from home to play with. On Friday's, we also have time for sharing where the child will get to tell their friends about the significance of their toy which helps with their power of speaking skills! We ask that you label the toy so that ensures we can find its owner. Your child may bring in one movie to share with the class for Friday movies if they would like... Cubs (G only), Grizzlies (G or PG only).

Thank you for your help with this!

EXTENDED DAY
CHILD CARE CENTER, INC.

LATE PICK-UP POLICY

All EDCC centers close promptly at 6:00 p.m. We ask parents to pick up their child prior to this closing time. It is the parent's responsibility to arrange for an authorized adult to pick up if the parent can not be at the center by 6:00 p.m. Parents/guardians should list the daytime and evening contact numbers of at least three (3) adults on the emergency card who are authorized to pick up their child from the site. Please make sure your emergency contacts are aware they have been designated as such. If a child has not been picked up by 6:30 p.m. and staff have not been able to contact the parents or emergency designee, then we are legally required to contact the Police Department. If the parent has not picked up their child prior to closing:

1. A late fee of \$10 plus \$1 for each minute past 6:00 p.m. is assessed
2. Payment of the late fee is due when picking up the child
3. Late fee payment is made to EDCC via Square payment
4. After three occurrences of being late, a conference with the center director and parent will be arranged. Parents will need to bring a plan for picking up the child on time
5. Continual violation of the Late Pick-up Policy will result in loss of child care services
